Estado de São Paulo

REQUERIMENTO

EMENTA: ao Prefeito Municipal, em reiteração ao Requerimento nº 24/2012, solicitando atenção ao pedido dos moradores do Bairro Feital Vista Alegre

Protocolo: 0000128/2013
28/01/2013 - 11:49:47

REQ Requerimento 38/2013

Autor: ANTÔNIO ALVES DA SILVA

Ementa: AO PREFEITO MUNICIPAL, EM REITERAÇÃO AO REQUERIMENTO Nº 24/2012, SOLICITANDO ATENÇÃO AO PEDIDO DOS MORADORES DO BAIRRO FEITAL E VISTA ALEGRE.

APROVADO

28 JAN. 2013

Vereador Ricardo Piorino
Presidente

Senhor Presidente:

REQUEIRO à Mesa, consultado o Egrégio Plenário desta Casa de Leis, que se oficie ao Prefeito Municipal, na forma regimental, para que junto ao departamento competente, solicite estudos visando o desvio do tráfego de carretas para uma outra rua especialmente projetada para este fim ou a proibição de circulação de carreta na Av. João Francisco da Silva no bairro Feital.

Faço esta solicitação, a pedido dos moradores do local, pois as carretas que transitam diariamente pelo local, danificam o asfalto que não é preparado para suportar o fluxo de carretas e também colocam em risco a segurança de todos os moradores da referida via.

Segue abaixo-assinado.

Plenário Dr. Francisco Romano de Oliveira, 28 de janeiro de 2013.

Vereador Antônio Alves da Silva

Toninho da Farmácia

EXCELENTÍSSIMO SENHOR
JOÃO ANTONIO SALGADO RIBEIRO
DD. PREFEITO MUNICIPAL
NESTA.

Asveraldo Novaes da Silva, brasileiro, Casado, Construtor de obras, RG. nº 9.069.473 e CPF. nº 929.645.328-34, residente na Avenida João Francisco da Silva, nº 1967, bairro do Feital, TEL. 3641-2700, serve do presente juntamente com os demais moradores abaixo assinado, para requerer de Vossa Excelência junto ao departamento competente, a possibilidade da retirada das **CARRETAS** que transitam em nosso bairro. Pois, os veículos além de danificar o asfalto coloca em risco a vida dos moradores, principalmente as nossas crianças. Sabemos que existe um projeto para a abertura de uma rua, ligando a avenida João Francisco da Silva, até o distrito Industrial. Com a abertura desta rua, as **CARRETAS** deixarão de circular na avenida principal do referido bairro, e com isso dará mais segurança aos moradores.

Nestes termos,

Pede deferimento

Pindamonhangaba, / /

1. Introduction

The purpose of this study is to investigate the effects of the independent variable on the dependent variable. The study is designed to explore the relationship between the two variables and to determine the extent to which the independent variable influences the dependent variable. The study is based on a sample of individuals who were selected through a random sampling process. The data collected from the study will be analyzed using statistical methods to determine the significance of the findings.

2. Methodology

The study was conducted using a quantitative research design. The data was collected through a series of surveys and interviews. The sample size was determined based on the requirements of the statistical tests used in the analysis. The data was analyzed using a series of statistical tests to determine the significance of the findings.

3. Results

The results of the study indicate that there is a significant positive relationship between the independent variable and the dependent variable. The findings suggest that as the independent variable increases, the dependent variable also tends to increase. The statistical tests used in the analysis confirmed the significance of these findings.

4. Conclusion

In conclusion, the study has shown that there is a significant positive relationship between the independent variable and the dependent variable. The findings suggest that the independent variable has a positive influence on the dependent variable. The study has provided valuable insights into the relationship between the two variables and has contributed to the understanding of the underlying mechanisms.

5. References

The following references were consulted during the course of this study:
